BLITZCOUNT 2600

WHAT'S IN THE BOX

AVANSA BlitzCount 2600
User Manual | Power Cable
Cleaning Brush | Fuse

The robust and reliable **AVANSA BlitzCount 2600** money counter offers a 3-point counterfeit detection system with fast and 100% accurate counting of your banknotes. This versatile money counter is suitable for all currencies.

This money counter is fast (1,000 notes per minute), accurate, easy-to-use (simple keypad control) and it adds and batches while counting. Additionally, this money counter incorporates an ultraviolet, magnetic and infra-red proofing system for detecting counterfeit currency. The **BlitzCount** uses an automatic dust removal system that keeps the unit clean and reduces maintenance and down time.

This counter is an indispensable aid for banks, supermarkets, movie theatres, retail locations and any other business environment where cash is transacted and counting / counterfeit controls are required.
